ARTIST BIO

BCMA Female Vocalist of the Year nominee, NMG Americana Artist Of The Year nominee and multiple Country iTunes number 1 artist, Georgia Nevada, is shaking up the UK's Country Rock scene.

Known for powerful vocals and lyrical storytelling, Nevada brings a blend of Country, Rock and Blues. She has ability to create a sound that is as captivating on stage as it is on a record - which is exactly what she aims to achieve with her highly anticipated debut album 'BackFire' (dropping in March 2026) !

Georgis is currently on tour with chart-topping Blues Rock duo 'When Rivers Meet' on their 20-date UK-wide tour and has performed in landmark venues such as Islington Assembly Hall and The Glasshouse ICM.

Nevada has also toured with the likes of Britnee Kellogg ('The Road' with Keith Urban and Blake Shelton) and Nashville's Dan Smalley bringing transatlantic credibility to her name. Georgia is also consistently busy on the festival circuit, among them, headlining the VIP Stage at the UK's newest and most anticipated country festival, Country Calling and has been announced as an artist on the 'In It Together' lineup in 2026.

Nevada is now a household name among UK Country Music and with sold-out shows and global radio play to her credit, Georgia continues to bring an authentic slice of Country Rock to audiences both in the UK and US.

PRESS/REVIEWS

The talented musician has carved her sound out of classic undertones, adding an authentic alt rootsy edge and is no doubt testament to her hard work and high quality music. - [Guitar Girl Magazine](#)

'Country music that knows how to rock in that dirty, laid back southern style... I played this back-to-back three times, and, for me, that really is telling...' - [Rock the Joint Magazine](#)

'Littleport singer is making waves in the UK country charts' - [Cambridge Independent](#)

"It's five excellently-written radio-rock tracks with a country twang to them, and draws from plenty of different sounds and inspirations... Georgia has got a huge future in the burgeoning UK country scene, and this release further proves that! I'd check this out if you are in any way into country, rock or even pop! 9/10" - [Overtone Magazine](#)

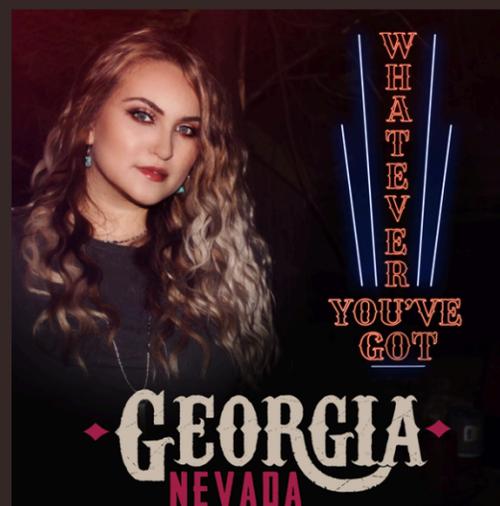

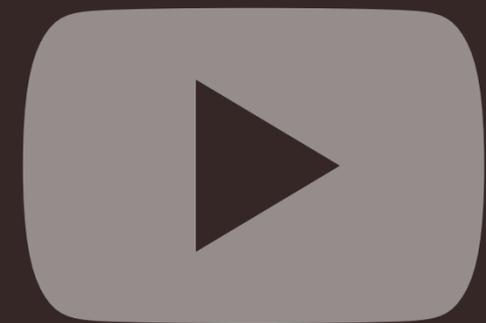

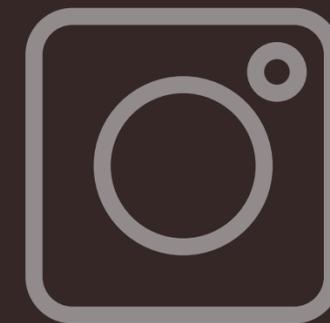

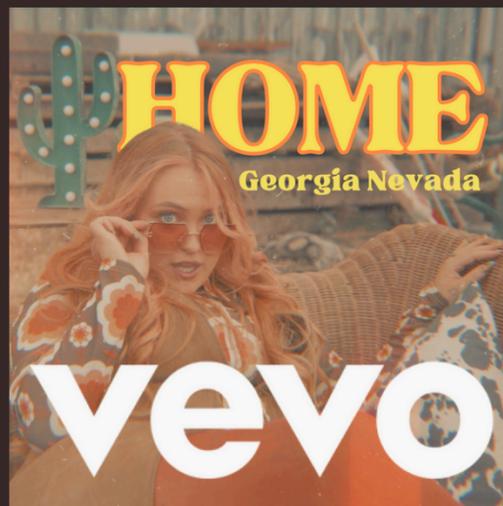

'an extremely gifted vocalist and a real gem within the ever-growing, and evolving UK country scene and with her divine crossover soundscape...a stellar fusion of country, and rock...a credit to the British country music scene' - [Music and Tour News](#)

"The Bright Side of the Dark" showcases Nevada's unique ability to switch moods with a single strum. In one moment, she has you tapping your foot; in the next, you're fighting back a tear. It's easy to see why Georgia is being talked about as one of the most promising voices in today's country music revival." - [Bristol Gig Guide](#)
